STORMWATER BMP ACADEMY

APRIL 16, 2008
Memorial Park
Natatorium
610 10th Avenue
Jasper, Alabama

Storm Water BMP Academy

Stormwater regulations in Alabama and across the country are targeted on BMP design, but which "Best Management Practices" really work the best? Which design techniques are most effective? What site considerations have the greatest impact on design efficiency? The Stormwater BMP Academy will address these storm water management questions while looking at innovative urban and suburban storm water BMPs.

Topics in the Stormwater BMP Workshop will include :

- Overview of Stormwater wetlands, bio-retention, permeable paving and green roofs,
- Functions, regulations, engineering standards, and vegetative requirements of stormwater BMPs, and
- Stormwater regulations and programs in Alabama.

Continuing Education Credit

CEUs from Auburn University will be available for this workshop. For more information about the CEUs, email Eve Brantley at brantef@aces.edu

Registration/Workshop Fee

\$175 for general registration
\$100 for government/nonprofit

Make Checks Payable to:
