

- Advisory Council on Historic Preservation (ACHP)  
1100 Pennsylvania Avenue, NW, Suite 809  
Washington, DC 20004  
(202) 606-8503  
(202) 606-8672 (fax)  
<http://www.achp.gov>  
Mr. John M. Fowler, Executive Director  
Ms. Charleen Vaughn, Director of HUD Projects  
[cvaughn@achp.gov](mailto:cvaughn@achp.gov)  
[achp@achp.gov](mailto:achp@achp.gov)

The Advisory Council on Historic Preservation is an independent Federal agency and is the major policy advisor to the Government in the field of historic preservation. The Council provides a forum for influencing federal policy, programs, and decisions as they affect historic resources in communities and on public lands .

- Alabama Association of County Commissions (ACCA)  
100 North Jackson Street  
Montgomery, AL 36104  
(334) 263-7594  
(334) 263-7678 (fax)  
<http://www.acca-online.org>  
Mr. Buddy Sharpless, Executive Director  
[bsharpless@acca-online.org](mailto:bsharpless@acca-online.org)

The Association of County Commissions of Alabama has worked to promote quality county government and improved services to Alabama's residents. Each year the Association works with leaders of the executive branch as well as the Legislature to promote the interest of county government. The ACCA provides educational opportunities for county commissioners and their staff. The Association sponsors the Alabama Local Government Training Institute and educational programs for county administrative personnel, county engineers, county attorneys and county revenue officers.

- Alabama Association of Regional Councils  
5900 Carmichael Place  
Montgomery, AL 36117  
(334) 277-2221  
(334) 277-3899 (fax)  
<http://www.alarc.org>  
Mr. Wayne Burnette, Executive Director  
[wburnette@adss.state.al.us](mailto:wburnette@adss.state.al.us)

The Alabama Association of Regional Councils is composed of the state's 12 regional councils which were established through state legislation. The councils are public organizations encompassing multi-jurisdictional regional communities. They assist local governments in numerous areas such as community development, economic development, planning, transportation, aging issues, employment, law enforcement, and business development.

- Alabama Association of Resource Conservation and Development Councils  
Federal Building, Room 233  
1118 Greensboro Avenue  
Tuscaloosa, AL 35401-2896  
(205) 759-1649  
(205) 349-4994 (fax)  
<http://www.rcdnet.org>  
Dr. Neil Hyche, Chairman  
[linda.mcgraw@al.usda.gov](mailto:linda.mcgraw@al.usda.gov)

The USDA focus is to assist local people by providing tools and technical support to stabilize and grow their own communities while protecting and developing natural resources. In return, local "Councils" provide local direction and planning and coordinate implementation of specific projects within their boundaries.

- Alabama Bureau of Tourism and Travel  
401 Adams Avenue  
P.O. Box 4927  
Montgomery, AL 36103-4927  
(334) 242-4413  
(334) 242-4554 (fax)  
<http://www.touralabama.org>  
Mr. Mark Berson, Director  
[admin@touralabama.org](mailto:admin@touralabama.org)

This bureau, as mandated by the Legislature, was entitled with "exclusive power and authority to plan and conduct all state programs of information and publicity designed to attract tourists to the state of Alabama." Our purpose is to promote travel to and through the state of Alabama. We do this nationally and internationally.

- Alabama Cooperative Extension System (ACES)  
112 Duncan Hall  
Auburn University, AL 36849-5918  
(334) 844-4450  
(334) 844-5544 (fax)  
<http://www.acesag.auburn.edu>  
Dr. Steve Jones, Director  
[aces-all@acesag.auburn.edu](mailto:aces-all@acesag.auburn.edu)

The mission of the county programs are simply to take research-based knowledge and education from the land-grant universities to people in counties throughout Alabama who need it. More simply stated, the aim is to improve the quality of life for all Alabamians in areas of agriculture and natural resources, 4-H Youth, Youth-at-Risk, Community Resource Development, Family and Consumer Sciences.

- Alabama Department of Conservation and Natural Resources  
Alabama Division of Wildlife and Freshwater Fisheries  
64 North Union Street  
Montgomery, AL 36130-1456  
(334) 242-3465  
(334) 242-3032 (fax)  
<http://www.dcnr.state.al.us/agfd>  
Mr. M. N. "Corky" Pugh, Director  
[wmcculler@dcnr.state.al.us](mailto:wmcculler@dcnr.state.al.us)

The Alabama Division of Wildlife and Freshwater Fisheries serves as the governing agency for Alabama hunting and sport fishing laws and regulations. They designate public fishing lakes, establish and supervise wildlife management areas, provide program information for hunter education, establish bag and possession limits, and regulate licensing. The Division also provides support to the Alabama Forever Wild Program.

- Alabama Department of Economic and Community Affairs (ADECA)  
401 Adams Avenue  
PO Box 5690  
Montgomery, AL 36103-5690  
(334) 242-5591  
(334) 242-5100 (directory listing)  
(334) 242-5515 (fax)  
<http://www.adeca.state.al.us>  
Mr. Nick D. Bailey, Acting Director  
Mr. Johnnie Streeter, Community Service Division  
[dollieb@adeca.state.al.us](mailto:dollieb@adeca.state.al.us)

ADECA is a part of the Office of the Governor. Its goal is to help Alabama's communities grow and prosper by awarding grants to improve the quality of life of all Alabamians. Grants can be used for community planning, county improvements, trails, recreation, build needed water and sewer systems, provide for law enforcement and traffic safety, promote energy efficiency and conservation, and many other projects. Visit the web site for appropriate contacts in each of these areas.

- Alabama Department of Environmental Management (ADEM)  
1400 Coliseum Boulevard (physical address)  
P.O. Box 301463

Montgomery, AL 36130-1463

Mr. Timothy C. Boyce, State Forester  
Mr. Jim Gober, Coordinator, Marketing and Economic Development, Northeast  
Division  
goberj@forestry.state.al.us

The Alabama Forestry Commission provides market information for wood and bark residues, and provides analysis and assistance for determining wood energy opportunities.

- Alabama's Forever Wild Program  
Alabama Department of Conservation and Natural Resources  
Alabama Division of Wildlife and Freshwater Fisheries  
64 North Union Street  
Montgomery, AL 36130-1456  
(334) 242-3465  
(334) 242-3032 (fax)  
<http://www.dcnr.state.al.us/agfd>

The Forever Wild Program was adopted by Alabama voters in November 1992 to set aside land for permanent state ownership using a portion of the interest earned on profits from the sale of offshore natural gas. The land, to be used for hunting, fishing, camping, outdoor recreation, natural resource protection and research and preservation of unique sites, will be acquired from willing sellers at no taxpayer cost and will belong to you, the public.

- Alabama Historical Commission (AHC)  
468 S. Perry Street  
Montgomery, AL 36130-0900  
(334) 242-3184  
(334) 240-3477 (fax)  
<http://www.preserveala.org>  
Chloe Mercer, Preservation Architect  
cmercerc@mail.preserveala.org

The Mission of the Alabama Historical Commission is to foster an awareness of the value of historic structures, sites, and objects that reflect the heritage of all Alabamians and to facilitate the preservation and documentation of these resources for the use, enjoyment and education of present and future generations. The Commission supports the Main Street Program and commercial revitalization of small towns.

(202) 333-5402 (fax)  
<http://www.communitychange.org>  
Mr. Andrew Mott, Executive Director  
[info@communitychange.org](mailto:info@communitychange.org)

The Center for Community Change is committed to reducing poverty and rebuilding low-income communities. They help people develop the skills and resources they need to improve their communities as well as change policies and institutions that adversely affect their lives. The heart of their work is helping grassroots leaders build strong organizations that bring people together to become a force for change in their communities. They help organizations build their community's capacity for self-help, develop strong leaders, provide critical services, build homes, develop businesses, give residents a say in their community's future and, perhaps most important, give low income people a sense of hope.

<http://www.reeusda.gov>

Cooperative State Research, Education, and Extension Service provides the focus to advance a global system of research, extension and higher education in the food and agricultural sciences and related environmental and human sciences to benefit people, communities, and the Nation. The CSREES mission emphasizes partnerships with the public and private sectors to maximize the effectiveness of limited resources. CSREES programs increase and provide access to scientific knowledge; strengthen the capabilities of land-grant and other institutions in research, extension and higher education; increase access to and use of improved communication and network systems; and promote informed decision making by producers, families, communities, and other customers.

<http://www.npca.org>  
[npca@npca.org](mailto:npca@npca.org)

NPCA's mission is to protect and enhance America's National Park System for present and future generations. This can only be achieved through a well-educated and committed park constituency. Public education through their publications and their public outreach to inspire activism is key to their efforts.

- Natural Resources Conservation Service (NRCS)  
U.S. Department of Agriculture (USDA)  
PO Box 2890  
Washington, DC 20013-2890  
(202) 720-3210  
(202) 720-1564 (fax)  
<http://www.nrcs.usda.gov>

The Natural Resources Conservation Service is a Federal agency that works in partnership with the American people to conserve and sustain our natural resources. The NRCS develops and carries out a national soil and water conservation program in cooperation with landowners, operators, other land users and developers, community planning agencies and regional resource groups, and federal, state, and local government agencies. The NRCS also assists in agricultural pollution control, environmental improvement, and rural community development.

(205) 731-1344  
Mr. Jack Wright, Alabama SBA District Director  
[jack.wright@sba.gov](mailto:jack.wright@sba.gov)

The U.S. Small Business Administration, provides financial, technical and management assistance to help Americans start, run, and grow their businesses. The U.S. SBA is dedicated to providing customer-oriented, full-service programs and accurate, timely information to the entrepreneurial community.

- The Society for American Archaeology (SAA)  
900 Second Street, N.E., Suite 12  
Washington, DC 20002-3557  
(202) 789-8200  
(202) 789-0284 (fax)  
<http://www.saa.org>  
Tobi Brimseck, Executive Director  
[headquarters@saa.org](mailto:headquarters@saa.org)

The Society for American Archaeology is an international organization dedicated to the research, interpretation, and protection of the archaeological heritage of the Americas. The society represents professional, student, and vocational archaeologists working in a variety of settings including government agencies, colleges and universities, museums, and the private sector.

- Southeast Archeological Center  
National Park Service  
2035 E. Paul Diras Drive, Box 7  
Johnson Building, Suite 120  
Tallahassee, FL 32310  
(850) 580-3011  
(850) 580-2884 (fax)

<http://www.cr.nps.gov/seac>

The Southeast Archeological Center has carried out a tradition of archeological research, collections and information management, and technical support for national park units located in the Southeast Regional Office of the National Park Service (NPS). This web site contains information on variety of events including the American Civil War and the Civil Rights Movement.

- Southern Rural Development Center  
Box 9656  
410 Bost Extension Building  
Mississippi State, MS 39762  
(662) 325-3207  
(662) 325-8915 (fax)  
<http://www.ext.msstate.edu/srdc>

SRDC is one of four regional rural development centers supporting research and extension efforts to improve the lives of people living in non-metropolitan areas of the United States. They assist in the process of public and private decision making by encouraging and conducting multi-disciplinary research, extension, and educational programs.

- The Townscape Institute, Inc.  
8 Lowell Street  
Cambridge, MA 02138  
(617) 491-8952  
(617) 491-3734 (fax)  
<http://www.townscape-inst.com>  
Mr. Ronald Lee Fleming, A.I.C.P., President  
[rflaming@townscape-inst.com](mailto:rflaming@townscape-inst.com)

The Townscape Institute, Inc. is a nonprofit public interest organization concerned with increasing the livability of cities, towns, and neighborhoods through the conservation, interpretation, and enhancement of the man-made environment.

- The Trust for Public Land (TPL)  
116 New Montgomery Street, Fourth Floor  
San Francisco, CA 94105  
(415) 495-4014  
(415) 495-4103 (fax)  
<http://www.tpl.org>  
Mr. Will Rogers, President  
[webmaster@tpl.org](mailto:webmaster@tpl.org)

TPL's legal and real estate specialists work with landowners, government agencies, and community groups to create urban parks, gardens, greenways, and riverways, build livable communities by setting aside open space in the path of growth, conserve land for watershed protection, scenic beauty, and close-to-home recreation, and safeguard the character of communities by preserving historic landmarks and landscapes.

- Univ. of Alabama Center for Economic Development  
The University of Alabama  
Box 870138  
Tuscaloosa, AL 35487-0138  
(205) 348-7058  
(205) 348-7566 (fax)  
Ms. Nisa Miranda, Director  
uaced@bama.ua.edu

The primary mission of the University of Alabama Center for Economic Development is to be responsive to requests from companies and communities throughout the state. The Center was founded as an umbrella organization which draws from the resources of the University of Alabama to support the state's public and private economic development initiatives. The Center facilitates this support by providing access to university technical resources and the specialization of faculty and professional staff. A major emphasis of the Center is community development.

- The Urban Land Institute (ULI)  
1025 Thomas Jefferson Street, NW, Suite 500 West  
Washington, DC 20007  
(202) 624-7000  
(800) 321-5011  
(202) 624-7140 (fax)  
<http://www.uli.org>  
webmaster@uli.org

The mission of the Urban Land Institute is to provide leadership in the responsible use of land to enhance the total environment. Its purpose is to help policy makers and professionals better face the challenges ahead-with information that is authoritative, insightful, current, and practical in application.

- US Army Corps of Engineers  
US Army Engineer District, Mobile  
PO Box 2288  
Mobile, AL 36628-0001  
(334) 471-5966  
(334) 690-3067 (fax)  
<http://www.sam.usace.army.mil>

cesam-pa@sam.usace.army.mil

The two primary missions of the District are military construction and civil works. However, the District is quick to embrace the needs of the nation and today we play a key environmental role from protecting wetlands to cleanup programs. Environmental sustainment is our creed-balancing the nation's environmental needs with economic well being.

- US Department of Agriculture-Rural Development  
Alabama Offices
